

PROPOSED TEMPORARY CLOSURE OF HARTFOOT LANE, ANSTY

I have received an application from Wessex Water to close Hartfoot Lane, Ansty between Hartfoot Close and Cothayes Drove (in both directions), a distance of approximately 160 metres. The closure has been requested to allow Wessex Water to undertake an interim to permanent reinstatement. These works are programmed to commence between 09:30 until 14:30 on 14th May 2026.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 17th April 2026.

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
